From the Board of Directors

The summer of 2020 was certainly one to remember – mostly for the adverse circumstances related to the COVID-19 pandemic, but also for special times spent together enjoying relaxing space and experiencing some delightful summer weather. Again, our greetings with sadness that events needed to be cancelled, but hoping that each and everyone of you is safe and healthy.

Typical of this Fall Issue of the newsletter, we thank the many people and organizations who support the Association and our fundraising events. Our downsized fundraiser for the Caneadea Dam Fund was successful and the July 3rd member-supported fireworks were quite special.

We certainly hope to return to a more normal way of life in the months ahead and that next summer at the lake is safe and apart from any pandemic or other life threats. Please be safe and abide with all health precautions. Travel safely if your plans include such and let's look with new hope to next lake season.

Caneadea Dam @ Rushford Lake Fundraiser a Success!

Changes this year due to the pandemic forced the Rushford Lake Landowners' Association to change from a gala dinner evening to a raffle and basket fundraiser. Either way, it happened to be especially fun for those who won prizes. Those included the following:

Priscilla Cronk – the gorgeous Jeanne Elliott handmade quilt; **Diane Maynard** – the Weber Gas Grill (donated in memory of John

Houseman, Doug Cronk & John Stromecki); **Juliette Reashor** – the WOW! Bouncer donated by R&K Marina; **Rocky & Gina Dubick** – an engraved wooden Rushford Lake presentation tray donated by RLRD Chairman Daryl Stevens and **Trena Mooar** who won a Gift Certificate to Hart's Jewelry donated by Bill Hart.

Several other residents donated gift baskets and gift cards making several other participants happy to be in the raffle.

Fundraising total: \$4,235

Thanks to all who Donated and Participated

Labor Day Fun and a time to Help Others

Thanks to all who participated, we had a fun day fishing and very successful Food Pantry Drive! **Kid's Fishing Derby winners** are:
